### **Madlug**

- Now while we're talking about bags I want to tell you about Madlug because it's the bag that makes you a superhero. Hold up Madlug flier.
- Madlug is an organisation supporting children and young people just like you who are living with someone other than their parents or in foster care
- At this point can I just say if this sounds familiar to you or someone you know I just want you to know that I believe in you and I think you're incredible. Madlug and the thousands of people, businesses and schools they work with are all supporting you and if you don't remember anything else from this assembly I want you to remember that (Please be

sensitive towards young people in the room who are care experienced or know other young people that are).

- With Madlug's help we can help other young people just like you to travel with dignity by providing new bags to help when they move.

### **Who wants to be a superhero?**

- Ask the young people who wants to be a superhero and introduce them to how your school is going to help eg fundraise for Giving Bags to be donated.
- Let the young people know that Madlug will connect with them to let them know the impact of their generosity.

### **Game (optional)**

- To finish we're going to play a superhero game and I need 5 volunteers.
- One of my other favourite superheroes is Superman and one of his powers is that he has xray vision and I need 5 of you to practice your xray vision
- In this bag I have 5 different items and I need you to put your hand in without looking and guess what's in the bag
- Pick your 5 volunteers and get them to turn around while you show the rest of the assembly what's in the bag. These can be everyday items such as fruit, marker pen, tennis ball etc.
- Get the young people to pick an item and if they guess correctly they win a prize
