

Activity: Poster - It's Good to Talk

Description: Creating posters is a great way for pupils to dig deeper into a topic so that they can understand and relay information accurately.

Time: 20 - 30 mins

Objectives: To understand the benefits of talking, To produce a factually correct, persuasive poster.

Materials

Laptop (optional) or

Paper, Pens and Pencils

Fact Sheet (found within the Pupil Voice Week resource section)

Instructions

Create a poster to inform and persuade about the importance of speaking up. The poster will be displayed around school and should be aimed at either parents, school staff or fellow pupils. Include a diagram or picture, and facts to create a poster that informs and persuades. Consider your audience and the information and images they will react best to. Once complete, the class should present and discuss their posters with each other.
